Capita Business Travel to work with OGC buying.solutions Travel Management Services framework

Capita Business Travel has been awarded a place on the new OGCbuying.solutions Travel Management Services framework, due to go live in March 2009.

Says Matt Selby, Sales & Marketing Director, "While we are an existing supplier for air and ferry services, we are, of course, delighted to now be in a position to offer a full travel management service to the public sector".

Capita Business Travel is part of Capita Group plc, the number one provider in BPO services to central and local government. Adding full travel management services to the portfolio demonstrates Capita Group's commitment to serving and supporting the public sector.

BPO services currently supplied by Capita Group include:

- Outsourcing
- Local and central government services
- Human resources
- ICT and software services
- Property consultancy
- Financial, corporate and treasury services
- Consultancy and change management

Note for Editors:

Capita Business Travel (CBT) - www.capitabusinessstravel.co.uk - the travel management company, was re-launched in February 2006. Utilising the prowess of its owner, Capita Group plc, the UK's leading business process outsourcing organisation, Capita Business Travel specialises in making processes more efficient and less costly.

Enabled by the most advanced travel technology available, CBT's people-based reservations service is complemented by online booking tools that together, allow customers to manage their travel 24/7, wherever they are in the world, delivering a consistent and high quality travel reservations service to a wide range of corporate clients.

The Capita Group Plc is the UK's leading provider of BPO and integrated professional support service solutions. The Group's service capabilities encompass customer services, financial services, human resource services, software services, systems and strategic support and property services delivered to both public sector and private organisations. With over 32,000 employees at more than 300 offices across the UK, Ireland and India, Capita is quoted on the London Stock Exchange (CPI.L), and is a constituent of the FTSE100 with revenues for 2007 of £2,073 million.
